

Pricing

Individual sessions

The Welcome Connective is committed to making the Grieving Well and Living Well individual sessions as accessible as possible. This is built on a belief in reciprocity and generosity of exchange.

For that reason we have the following professional pricing structure:

- \$70 - \$115 sliding scale per hour, depending on your disposable income.
- \$35 per hour for unwaged, students, and seniors who are on superannuation only.
- If either of the above are still out of your reach and you live in Auckland, you may be able to access my Grief Tending work through the Antara Free Natural Health Clinic in Te Atatu Peninsula.

Groups / Courses / Events

Due to the unique nature of each group situation and needs, please contact us to discuss details, or refer to the cost included with an event advertisement.

Practices, processes and support for accessing the deep well of sources we can call on to live life well supported, with our griefs and with gratitude and joy, in a welcoming place – connecting with ourselves, others and the earth.

GET IN TOUCH

Have a question or want to express your interest in one of the services? Give us a call, check out our latest updates or send us a message.
