

Privacy Policy

Your personal details are only used for the purpose of staying in touch with news from The Welcome Connective.

Your information will never be shared with or sold to external parties.

The Welcome Connective will not fill your inbox with frequent messages.

Practices, processes and support for accessing the deep well of sources we can call on to live life well supported, with our griefs and with gratitude and joy, in a welcoming place – connecting with ourselves, others and the earth.
